

Take to Your SSCs

District Advisory Council General Meeting
April 19, 2017

- Take any fliers from the Ballard Center and give them to the clerk in your school's office. Make sure they are uploaded into Peach Jar or included in site communications to parents.
- Discuss the various requirements of Title I and why our Title I Central Budget may look different after the Governor's May revise.
- What is the conversation like at your school site around the LCAP? How are the LCAP Actions reflected at your school site? Discuss this with your SSC and your principal.
