

DAC Presentation

Building Capacity Coaching Cycles

Area Superintendent
Dr. Sofia Freire
January 18th, 2017

Building Capacity Coaching Cycles (Dots and Dashes)

Stages of Support

- ❖ All schools have launched coaching cycles
 - ❖ The level of support is different for schools
 - ❖ Dream Team
 - Coaching Cycles (ELA & Math)
 - Collaborative Coaching Cycles (integrate SpEd, ELD, and educational technology)
 - ELD Coaching Cycles
-

Status Checks: Assessing Our Impact

December 16, 2016

Purpose: Align our collective effort and develop a coherent approach to building instructional capacity that translates to an impact on student learning. Alignment to influence greater impact on our system.

Serve as an opportunity

- For coherence and to share collective impact on students
- To focus on building capacity
- To highlight strategies for improving Tier 1 Instruction

Audience Members:

- Instructional Cabinet
- Green Teams members
- Central Office Resource Teachers

Guiding Questions

- How was the work organized for success?
- How do we assess/measure our impact on students?
- What are we still trying to figure out?

Area 4 - One school's path

❖ Coaching Cycles (2016-17)

- Year-long inquiry question: *"How do we plan for questioning and strategic student talk to engage each and every student in productive struggle to reach the teaching the point?"*
- **ELA - Guided Reading & Math - Greenhouse**
