

# Take to Your SSCs

## District Advisory Council General Meeting

March 15, 2017

- Take any fliers from the Ballard Center and give them to the clerk in your school's office. Make sure they are uploaded into Peach Jar or included in site communications to parents.
- Discuss the Title I Centralized Budget with your SSC – what line items need to be considered priorities?
- Has your school site been approved for the Community Eligibility Provision? Tell your SSC members what you learned from Drew Rowlands and discuss a plan to inform and educate parents and students about the changes.
- Share what the FACE Dept has in store for the next few months. We recommend a demonstration of how to find the Family and Community Engagement page on the SDUSD website. (Go to 'Academics' at the top, in the drop down box under the Parent & Student Resources, click on 'Family and Community Engagement')

- Remind members of your SSC as well as other stakeholders that the LCAP presentations are available online, and encourage them to watch at <https://www.sandiegounified.org/what-lcap> and that they can offer feedback using the online form <https://www.surveymonkey.com/r/LCAP17> or by emailing [lcap@sandi.net](mailto:lcap@sandi.net)
