According to your site's Assignment Book, which teacher(s) is/are not District GATE Certified and teaching a GATE Cluster class for the 2015-2016 school year?

How, and when, do the GATE Cluster classroom teachers identify academic skill levels and provide direct instruction, interventions, and/or acceleration for students identified as GATE Cluster?

* Teachers and administration closely monitor student progress through CELDT, formative and summative assessments. Students are identified for RTI supports to ensure their needs are being addressed. We have additional instructional supports such as morning learning upgrade computer software and the Tiger Reading Intervention Program (TRIP) to accelerate learning progress. Our SPED team works closely co-planning and co-teaching twice exceptional students

In addition to mastery of CCSS, what are your GATE program goals?

- To provide rich, learning experiences that are meaningful and relevant in order to prepare students for college and career. We believe our students have the capacity to be industry leaders in a global society and economy.
- To empower students to be able to make a positive difference beyond the four walls of the classroom.
- Students utilize 21st Century Skills (critical thinking, collaboration, communication, and creativity) to solve complex problems across all content areas.
