According to your site's Assignment Book, which teacher(s) is/are District GATE Certified and teaching a GATE Cluster class for the 2015-2016 school year?

Laverty, Ortega, Sajnog

How, and when, do the GATE Cluster classroom teachers identify academic skill levels and provide direct instruction, interventions, and/or acceleration for students identified as GATE Cluster?

Through discipline-specific department meetings and vertical teaming groups, teachers of GATE Cluster classes review curriculum and GATE-specific instructional techniques to ensure that students in the Cluster program receive a rigorous, interactive, and student-based program that challenges students and propels them to new intellectual heights as they move through our GATE classes in grades 9-12.

In addition to mastery of CCSS, what are your GATE program goals?

- Differentiated opportunities for the learning commensurate with the GATE student's particular abilities and identified talents.
- Opportunities for students to develop sensitivity and responsibility to others
- Experiences that assist GATE students to develop self-generating problem-solving abilities and higher-order critical thinking skills
- Opportunities for students to develop realistic, healthy self-concepts.
