According to your site's Assignment Book, which teacher(s) is/are District GATE Certified and teaching a GATE Cluster class for the 2015-2016 school year? 0

How, and when, do the GATE Cluster classroom teachers identify academic skill levels and provide direct instruction, interventions, and/or acceleration for students identified as GATE Cluster?

Teachers and administrators closely monitor student progress through formative and summative assessments. Students are also identified for RtI supports to ensure their needs are being met. Additional instructional supports are utilized for remediation and acceleration of learning. Teachers also work closely to collaborate on planning and sharing of best practices.

In addition to mastery of CCSS, what are your GATE program goals?

To provide rich, learning experiences that are purposeful and relevant to prepare students to be college and career ready

To empower students to make positive differences beyond the four walls of the classroom

Students will utilize 21<sup>st</sup> century skills (critical thinking, collaboration, communication, and creativity) to solve problems across all content areas.
