1. COMMITTEE ESTABLISHED AND CONSOLIDATED.

A. The San Diego Unified School District (the “District”), through the governing Board of Education (“Board”), conducted an election on November 4, 2008 (“2008 Election”), seeking authorization from the District’s voters to issue up to $2.1 billion in aggregate principal amount of the District’s general obligation bonds (“Proposition S”). The voters of San Diego County approved Proposition S in the amount of $2.1 billion. The District conducted another election on November 6, 2012 (“2012 Election”), seeking authorization from the District’s voters to issue up to $2.8 billion in aggregate principal amount of the District’s general obligation bonds (“Proposition Z”). The voters of San Diego County approved Proposition Z in the amount of $2.8 billion. Both elections were conducted under Proposition 39, chaptered as the Strict Accountability in Local School Construction Bonds Act of 2000 (California Education Code section 15264 et seq.)

B. Under Education Code (“Education Code”) section 15278, the District Board shall establish and appoint an Independent Citizens Oversight Committee (“Committee”) to satisfy the accountability requirements of Proposition 39. The Board previously formed the Committee for Proposition S at its regular meeting on or about November 18, 2008 and appointed initial members at subsequent meetings, to oversee the expenditure of general obligation bonds approved by voters in 2008. Under Education Code section 15278, the District Board shall form the Committee for Proposition Z to oversee the expenditure of general obligation bonds approved by voters in 2012. Because the District intends to concurrently implement projects under Proposition S and Proposition Z, it desires to consolidate two Committees into one Committee for efficiency in providing public oversight of the general obligation bond expenditures under each bond measure. The Committee does not have independent legal capacity from the District. The duties and rights set forth in these Bylaws reflect the language and intent of the Board’s creation and consolidation of the Committee for Proposition S and Proposition Z.

2. PURPOSES.

A. The purposes of the Committee are set forth in Proposition 39 and its implementing provisions in Education Code, the Full Text Ballot Proposition of Proposition S and Proposition Z, and these Bylaws are specifically made subject to these provisions of law as to the duties and rights of the Committee. The
Committee shall also be charged with responsibilities as set forth in the Proposition S Election Resolution and Proposition Z Election Resolution, which are incorporated herein in their entirety. The District shall provide necessary administrative support to the Committee as shall be consistent with the Committee’s purposes, as set forth in Proposition 39.

B. The proceeds of general obligation bonds issued pursuant to the 2008 Election and 2012 Election are hereinafter referred to as “bond proceeds.” The Committee shall confine itself specifically to bond proceeds generated under Proposition S and Proposition Z. Expenditure of other facility monies generated from other sources shall fall outside the scope of the Committee’s review. However, to the extent that facilities are financed with a combination of Proposition S or Proposition Z monies and other non-bond funds, such projects and expenditures shall be subject to Committee oversight and review in accordance with law and these Bylaws.

C. Essential to the purpose of the Committee is the establishment of meaningful and effective community and small business outreach, so that the District may maximize available resources and achieve its goals in a timely and efficient manner.

3. **DUTIES.** The Committee shall perform its duties under the Strict Accountability in Local School Construction Bonds Act of 2000 (Education Code sections 15264 et seq.) as follows:

Provide oversight, including review and report on the proper expenditures of taxpayers’ money for school construction, to ensure that bond proceeds are expended only for the purposes described in California Constitution Article XIII A, Section 1(b)(3), and that no bond proceeds are used for any teacher or administrative salaries or other school operating expense.

C. Issue an annual report, which includes a statement as to whether the District is in compliance with California Constitution Article XIII A, Section 1(b)(3) and results of its activities for the preceding year.

4. **AUTHORIZED ACTIVITIES.** The Committee may engage in the activities under the Strict Accountability in Local School Construction Bonds Act of 2000 (Education Code sections 15264 et seq.) as follows:

B. Inspect school facilities and grounds to ensure that bond revenues are expended in compliance with California Constitution Article XIII A, Section 1(b)(3), in
accordance with any access and security procedures established by the District and Chief of Facilities Planning & Construction or designees.

C. Receive and review copies of any deferred maintenance proposals or plans developed by the District.

D. Review efforts by the District to maximize bond proceeds by implementing cost-saving measures.

5. **UNAUTHORIZED ACTIVITIES.** In recognition that the Committee’s charge is to review bond expenditures and inform the public about the uses of bond proceeds, the Committee shall not have the authority to do the following, which is a non-exhaustive list:

A. Review projects that are not paid for in whole or in part by bond proceeds.

B. Establish priorities and order of construction for bond projects, or otherwise determine how bond funds will be spent.

C. Select architects, engineers, construction managers, project managers, consultants, or contractors.

D. Select independent performance or financial audit firms or consultants.
