FEES AND CHARGES

The Board of Education recognizes its responsibility to ensure that books, materials, equipment, supplies, and other resources necessary for students' participation in the district's educational program are made available to them at no cost.

No student shall be required to pay a fee, deposit, or other charge for his/her participation in an educational activity which constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities. (Education Code 49010, 49011; 5 CCR 350)

(cf. 3100 - Budget)
(cf. 6145 - Extracurricular and Cocurricular Activities)

As necessary, the Board may approve fees, deposits, and other charges which are specifically authorized by law. When approving such fees, deposits, or charges, establishing fee schedules, or determining whether waivers or exceptions should be granted, the Board shall consider relevant data, including the socio-economic conditions of district students' families and their ability to pay.

(cf. 3250 - Transportation Fees)
(cf. 3515.4 - Recovery for Property Loss or Damage)
(cf. 3553 - Free and Reduced Price Meals)
(cf. 5143 - Insurance)

The prohibition against student fees shall not restrict the district from soliciting for voluntary donations, participating in fundraising activities, and providing prizes or other recognition for participants in such activities and events. However, the district shall not offer or award to a student any course credit or privileges related to educational activities in exchange for voluntary donations or participation in fundraising activities by or on behalf of the student and shall not remove, or threaten to remove, from a student any course credit or privileges related to educational activities, or otherwise discriminate against the student, due to a lack of voluntary donations or participation in fundraising activities by or on behalf of the student.

(cf. 1321 - Solicitation of Funds from and by Students)
(cf. 3290 - Gifts, Grants and Bequests)

Whenever district employees, volunteers, students, parents/guardians, or educational or civic organizations participate in such events or activities, the Superintendent or designee shall emphasize that participation in the event or activity is voluntary.

A complaint alleging district noncompliance with the prohibition against requiring student fees, deposits, or other charges shall be filed in accordance with the district's procedures in BP/AR 1312.3 - Uniform Complaint Procedures. (Education Code 49013)

(cf. 1312.3 - Uniform Complaint Procedures)
If, upon investigation, the district finds merit in the complaint, the Superintendent or designee shall recommend and the Board shall adopt an appropriate remedy to be provided to all affected students and parents/guardians in accordance with 5 CCR 4600.

Information related to the prohibition against requiring students to pay fees for participation in an educational activity shall be included in the district's annual notification required to be provided to all students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 49013)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)
(cf. 5145.6 - Parental Notifications)
