

STUDENT ACTIVITY FUNDS

The Board of Education recognizes that student organizations can provide students with an opportunity to conduct worthwhile cocurricular activities beyond those provided by the district and can also help students learn about effective financial practices. To that end, student organizations may raise and spend funds to support activities that promote the general welfare, morale, and educational experiences of the student body.

(cf. 3260 - Fees and Charges)
(cf. 5000 - Concepts and Roles)
(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.5 - Student Organizations and Equal Access)

Management of Funds

Student body funds shall be managed in accordance with law and sound business procedures designed to encourage the largest possible educational return to students without sacrificing the security of funds.

The Superintendent or designee shall develop internal control procedures to safeguard the organization's assets, promote the success of fund-raising ventures, provide reliable financial information, and reduce the risk of fraud and abuse. These procedures shall detail the oversight of activities and funds including, but not limited to, the appropriate role and provision of training for staff and students, parameters for events on campus, appropriate and prohibited uses of funds, and accounting and record-keeping processes, including procedures for handling questionable expenditures.

(cf. 3400 - Management of District Assets/Accounts)

The principal or designee shall be responsible for the proper conduct of all student organization financial activities. The budget adopted by the student body organization should serve as the financial plan for the school year and shall be submitted to the Superintendent or designee at the beginning of each school year. The Superintendent or designee shall periodically review the organization's use of funds to ensure compliance with the district's internal control procedures.

Funds derived from the student body shall be disbursed according to procedures established by the student organization. All disbursements must be approved by the school principal/administrator, the certificated employee who is the student organization advisor, and a student organization representative. (Education Code 48933)

The Board shall provide an annual audit of student accounts by a certified public accountant or licensed public accountant. The cost of the audit shall be paid from district funds. (Education Code 41020)
