

CONFLICT RESOLUTION/PEER MEDIATION

In alignment with LCAP Goal 4, and to promote student safety and contribute to the maintenance of a positive school climate, the Board of Education encourages the development of school-based conflict resolution and restorative practice programs designed to help students learn constructive ways of handling conflict. The Board believes that such programs can reduce violence and promote communication, personal responsibility and problem-solving skills among students.

Conflict resolution and restorative strategies shall be considered as part of each school's comprehensive safety plan and incorporated into other district discipline procedures as appropriate. Conflict resolution and restorative programs shall not supplant the authority of staff to take appropriate action as necessary to prevent violence, ensure student safety, maintain order in the school, and institute disciplinary measures.
