SEXUAL HARASSMENT

San Diego Unified School District is committed to making the schools free from sexual harassment and discrimination. Sexual harassment is a form of sex discrimination under Title IX of the Education Amendments of the Civil Rights Act of 1972 and is prohibited by both federal and state laws. The district prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. Sexual harassment is defined in Education Code to mean unwelcome sexual advances; requests for sexual favors; or verbal, visual, or physical conduct of a sexual nature, made by someone from or in the educational setting. The Superintendent or his/her designee shall ensure that district students receive age-appropriate instruction about their rights to be free from sexual harassment, the district procedure for reporting and investigating complaints of sexual harassment including with whom a complaint should be filed.

The Board of Education is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district prohibits conduct that has the purposes or effect of having a negative impact on the individual’s work or academic performance, or that is sufficiently severe, persistent, or pervasive to create an intimidating, hostile, or offensive educational environment.

The district further prohibits sexual harassment that conditions a student’s status, progress, benefits, services, honors, program or activities based on submission to such conduct.

Any student who feels that he/she is being, or has been sexually harassed by a school employee, another student, or a non-school employee at school or at a school-related event, shall immediately contact his/her teacher or any other district employee. An employee who receives such a complaint shall report it in accordance with administrative procedures.

Complaints regarding sexual harassment shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

(cf. 1312.3 - Uniform Complaint Procedures)

Employees who violate this policy shall be subject to discipline up to and including dismissal. Any disciplinary action shall be in accordance with applicable federal and state laws and/or collective bargaining agreements.

Students who violate this policy may be subject to discipline, up to and including expulsion, in accordance with district policy, administrative procedure and state law.
SEXUAL HARASSMENT (continued)

The district believes that it can resolve issues of harassment and discrimination at the school site.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
6. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable

Disciplinary Actions

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.
