WORLD LANGUAGE INSTRUCTION

As outlined in LCAP Goal 2 and in order to prepare students for living, learning and fully participating as global citizens in the 21st century and to broaden their intercultural understanding and career opportunities, the Board of Education shall provide students with opportunities to develop linguistic proficiency and cultural literacy in one or more world languages in addition to English.

The Superintendent or designee shall recommend world languages to be taught in the district's educational program based on student interest, community needs, and available resources. He/she shall also consider providing English Learners the opportunity to study their heritage language, when such a course is available, in order to continue developing skills in that language. American Sign Language courses shall be open to all students regardless of hearing status.

(cf. 6174 - Education for English Language Learners)

The district shall offer a sequential curriculum aligned with the state content standards, state curriculum framework, and, as applicable, California university admission requirements for languages other than English.
