

CONCEPTS AND ROLES

The Board of Education recognizes that one of its major responsibilities is to provide healthful, safe and adequate facilities that enhance the instructional program. The district will maintain clean and inviting schools that are worthy of our students and families. Because the schools serve as a focal point for the community, the Board shall also strive to ensure that district facilities fit harmoniously and attractively into their neighborhoods and have flexibility of design to meet future educational and community needs.

(cf. 9000 - Role of the Board)

The Board shall strive to have a school facilities master plan in place with regular review to align with the district's educational goals. In accordance with this plan, the Board shall:

1. Approve additions or major alterations to existing buildings

(cf. 7111 - Evaluating Existing Buildings)

2. Determine what new buildings shall be built, when and where, and what equipment shall be purchased for them

3. Determine the method of financing that will be used

(cf. 7210 - Facilities Financing)

4. Select and purchase school sites for future expansion

(cf. 7150 - Site Selection and Development)

5. Approve the selection of architects and engineers

(cf. 7140 - Architectural and Engineering Services)

6. Award contracts for design and construction

7. Name schools and individual buildings

(cf. 7310 - Naming of Facility)

8. Advocate school facility needs to the community

(cf. 7110 - Facilities Master Plan)

(cf. 7131 - Relations with Local Agencies)

The Superintendent or designee shall:

1. Assess the district's short- and long-term facility needs

CONCEPTS AND ROLES (continued)

2. Direct the preparation and updating of the facilities master plan
3. Oversee the preparation of bids and award of contracts

(cf. 3311 - Bids)

4. Supervise the implementation of the district's building program in accordance with the master plan, Board policy, and state and local requirements, including collaboration with the architect and contractor on the construction of new facilities and modernization of existing facilities
5. Represent the district in official governmental interactions related to the building program
