### The School Environment/Mission Statement:

The Loma Portal educational community exists to inspire all students to realize their optimal potential to be productive citizens in a global society.

### Curriculum modifications to provide depth, novelty and complexity:
- Ongoing oral language growth through a variety of unique experiences
- Curriculum compacting
- Tiered Lessons
- Socratic Seminars driven by content curriculum and Kohlberg’s Moral Dilemmas
- Independent study based on Renzulli’s Enrichment Model Type III
- Hilda Taba inductive thinking strategies

### Opportunities for student choice and creative expression:
- Flexibility of higher-level thinking assignments
- Diverse computer-based experiences
- Comprehensive independent study program

### Unique activities and approaches:
- Visual and performing arts integrated with core subjects
- Technology-based learning
- Simulations and role-playing to enhance the social studies curriculum
- Architectural experiences
